

CONNECT TO COMMUNITY AND OPPORTUNITY

Thomson Reuters Eikon Messenger gives you the best of both worlds. It's an open collaboration platform you can use to communicate with colleagues, counterparties and clients across the financial industry. In addition, you can get crucial intelligence on the news and views that are moving the markets by joining one of our many 'by invitation' community forums, each moderated by expert Reuters journalists.

GAIN INSIGHTS FROM THE EXPERTS IN OUR FORUMS

Join a Forum to share insights, ask questions, get background on breaking developments and explore new ideas – all in real time. Each community gives you a powerful way to communicate directly with the financial experts, policy makers and CEOs in your sphere of interest. Each individual forum gives you access to:

- Key stories, curated by top Reuters editors for your discussion
- Rapid analysis of critical market topics and the sharing of insights by members around key talking points
- An opportunity to make new contacts with common interests

Access multiple forums across three categories on your desktop or mobile device.

CROSS-ASSET GLOBAL MARKETS FORUM

The world's first, cross-asset, 24-hour community for financial market professionals, it explores the most critical market topics, the widest range of views, and hosts influential guest speakers.

To join this community, go to
